Maths – Measures

Can I measure mass (weight) in grams and kilograms?

- Can I read scales in g and kg?

Children need to be able to read scales in grams or in kilograms to the nearest kg

- Practice weighing in grams or kilograms and reading the scale (children need to be able to read a scale rather than using digital scales)
- Try baking a familiar recipe or helping with the cooking
- Complete the maths challenge tasks which we have put on Dojo.

Fluency (non-computer)

- Revise and recall number bonds to 100 e.g. 80+20, 70+30 etc.

How quickly can these facts be recalled?

Extension Challenge

- Begin to learn multiplication facts for the 10 times table. How quickly can these number facts be recalled?

English

Reading

- Log in to your Bug Club Account and Complete 1 new book, answering the comprehension questions there.

- Read a book of your choice for 10 minutes

Spelling

- This week's spelling words are:
old, gold, cold, told, hold

- Try playing noughts and crosses spelling using different combinations of these words.

- Complete the spelling or phonics tasks on Spelling Shed

- Are there any other words with 'old' in them? Investigate!

Science

Can I identify common everyday materials and their properties?

- Look around your house and make a chart or draw and label things you can see/find made from:

- Wood
- Metal
- Plastic
- Paper
- fabric

Writing

If you were Queen Victoria or Prince Albert, what laws would you have made?

Write some sentences to explain your new laws.

Don't forget to write in sentences with capital letters and full stops.

Art

Draw a sketch of Queen Victoria.

Try to use some of the light and dark shading skills that we have learnt in art
