# Spring 2 Week 2 Maths task 3 – Perimeter

**Remember:** the perimeter is the *total* length of the sides.

## Consolidate

Draw a rectangle that
has a perimeter of 10 squares.

## Core

Calculate the perimeter of the rectangle.

Write units with your answer.

8 cm

1 cm

1 cm

3 cm

## Extend

How many different rectangles can you draw that have a
perimeter of 12 squares?
